1. Our spray tanning solution does not contain a sunscreen and does not protect against sunburn. (Title 21 of the Code of Federal Regulations, Section 740.19 USA)
2. I'm aware that freckles and sun spots may temporarily darken with spray tans. I am aware that waxing, retinols, Obagi, acne and exfoliating face treatments may cause unevenness or early fading with my spray tan.
3. If you are an expectant or a lactating mother you acknowledge that you accept all responsibility towards any contraindications that may occur.
4. Cosmetic bronzers are water soluble and will wash out of most fabrics. Please note that Silk, Lycra, Spandex, Nylon, Wool or Leather may stain. We recommend loose, dark clothing be worn after the completion of your spray tan.
5. Some bleached /dyed or treated hair types, if uncovered, may stain or change from their original color. This can also apply to eyebrows or other body hair. I understand hair nets are provided to me free of charge.
6. I understand that it is not recommended to spray tan within 6 weeks of a sunburn. Peeling will be significantly exaggerated by the difference in skin color, where dark tanned skin and fresh new skin will have a severe demarcation.
7. Competitors scheduled with LSR affiliates assume ALL risk to any hotel property, not limited to staining of linens. Please be respectful and bring an extra set of sheets and towels.
8. If you have used another company's tanning product it is important that it be rinsed off the skin before being sprayed by LSR. Please discuss the use of any other tanning products used BEFORE your appointment with us. We are NOT responsible for poor results with mixing of products that we are unaware of.

I, the undersigned, agree that I fully understand this Spray Tanning Waiver. I am using these services at my own risk. I hereby authorize and direct employees or agents to perform such tanning procedures as may be deemed necessary or advisable, and have provided them with the above information required. I acknowledge that the results of spray tanning do vary, and that no guarantees of specific results are offered or implied. I hereby relieve this establishment, as well as the spray technician, and hold them unliable, from any liability involved in the use of the spray tanning process.
